

IUCN NL PAVILION AT IUCN CONGRESS

# PROGRAMME

**IUCN**  
WORLD  
CONSERVATION  
CONGRESS  
*Marseille*

03-11 SEPT 2021

## ABOUT THE IUCN NL PAVILION

---

**IUCN NL's stand at the World Conservation Congress in Marseille is a place where Dutch IUCN members and our local partners from around the world will gather to showcase their work. Here, we connect the Dutch conservation movement with international actors and policy. Come meet our experts and learn more about finance for conservation, responsible value chains, community governance and rights to nature.**

IUCN NL is the Dutch national committee of IUCN. We form the platform of the 39 Dutch IUCN Members, including large and small nature and environmental organisations, the Dutch Government and knowledge institutions. We work together with and support local organisations in Africa, Asia and Latin America to safeguard nature and biodiversity.

Visit our stand to learn more about our main achievements and our work to strengthen community governance, defend the right to nature and achieve nature-positive policy. Dutch IUCN Members and our local partner organisations from around the world play a key role in this. Join our sessions and meet with experts from IUCN NL and partners.

In this booklet, we present the programme in the IUCN NL Pavilion during the IUCN Congress Exhibition from September 4 to 9.

## PRACTICAL INFORMATION

---

### HOW TO ATTEND OUR SESSIONS

If you are physically attending the IUCN Congress, please come find our Pavilion in the exhibition hall and attend our sessions. Our Pavilion has a maximum capacity of 20 seats, so make sure you are on time to claim a spot.

For virtual participants of the IUCN Congress, we will set up a livestream of our sessions in the Pavilion, which we will host on our website. For more information and updates on how to attend the sessions virtually, please visit our website: <https://www.iucn.nl/congress>
